

The Chelsea Garvin Spirit Award Scholarship

**Two \$1000 scholarships to be awarded to

The Chelsea Garvin Spirit Award Scholarship Program was created in loving memory of Chelsea Garvin, a 2004 graduate of Fairhope High School, a Fish River Fire Department Rescue Diver, an Original Oyster House employee and a talented artist. To qualify you must be a 2021-2022 Baldwin County high school senior with a minimum 2.5 GPA, have participated in recent school or community art event and submit artwork that reflects the Original Oyster House in some way. Highest consideration will be for the most artistic and creative representation of the Original Oyster House brand.
